Sponsorship Form

Please sponsor this fundraising event in aid of Severn Area Rescue Association's Charity. Money raised will go towards helping SARA provide emergency assistance in the treacherous and swift flowing tidal estuary of the River Severn.

SARA has a very substantial annual operational and maintenance budget. The Association receives a small number of grants from local authorities and other bodies, but the vast bulk of its finances comes from members' own fundraising efforts, other voluntary activities and private donations.

Public support, on top of our own funding, is vital in helping us expand our expertise.

Thank you very much for your donation

We, the named sponsors, agree to pay the amount stated per unit to:
