Invitation to the SARA Zip Wire 2012 – Team Challenge

Severn Area Rescue Association (SARA), your local independent lifeboat station and search and rescue (MR) team would like to invite you and your staff to take part in our **SARA Zip Wire 2012 – Team Challenge**.

This event and challenge will not only provide SARA with some well needed funding but it will also provide you with:-

- A simple, cost-effective team building event for your staff
- Increased awareness for the family and friends of your staff on water safety
- Opportunity for good public relations, press releases etc

For many years SARA has been saving lives of men, women and children on your local rivers (Severn, Wye, Usk, Avon) and the surrounding lands of South Gloucestershire, Monmouthshire and Gwent.

In the coming year, given the current economic climate, the demands on SARA for operational call-outs, maintenance of highly skilled trained personnel and equipment, fundraising will be even more challenging than 2011. To maintain our professional level of service each station requires approximately £30,000 per annum to remain operational, this is without any call-outs or training.

To help us raise the funds for maintaining our operational readiness and help us keep saving lives, we are holding a fundraising Zip Wire at The National Dive Centre (Chepstow) on **Saturday/Sunday 14/15th April 2012**.

To enter the **SARA Zip Wire 2012 - Team challenge**, work places or Teams need to put in a team of 4 (minimum) and we will be awarding 2 trophies for:-

- Highest cumulative funds raised by a Team
- Highest average funds raised per person in a Team

Why not challenge other similar local businesses; bank vs bank; pub vs pub; coffee shop vs coffee shop etc.

If you can't enter a team and some of your staff want to take part as individuals that's fine, all they need do is send in an application form. Also, highest individual fundraiser wins a trip on SARA1, and everyone raising over £100 goes into a draw for a trip on SARA1.

The highest fundraiser of all will win the "Golden Ticket" to be the first person to rode the UK's longest Zip Wire over water.

Please find attached an information sheet and entry form (feel free to photocopy) for the Zip Wire. If you have any questions or queries please feel free to contact me on 07725744636 or email d.thompson@sara-rescue.org.uk Many thanks for your kind consideration, we really appreciate it and taking part in the Zip Wire, will save lives in your local community around the River Severn.

Yours Sincerely

David Thompson
